JARED KOLECKI

JKOLECKI@ND.EDU • (440)-865-7097 • KOLECKI4.GITHUB.IO

EDUCATION

Fall 2022 - Present | University of Notre Dame | South Bend, Indiana
Ph.D in Physics
- Research focus in Astrophysics

Fall 2017 - Fall 2020 | The Ohio State University | Columbus, Ohio
B.S. in Astronomy & Astrophysics
- Minor in Computational and Informational Sciences
- Graduated w/ Research Distinction

AWARDS AND HONORS

- The Ohio State University
  - Name and Seal Scholarship: 2020-2021
  - Maximus Scholarship: 2017-2018, 2018-2019

RESEARCH EXPERIENCE

Jan 2023 - Present | University of Notre Dame Dept. Of Physics & Astronomy | South Bend, Indiana
Research Assistant (Advisor: Dr. Lauren Weiss)
- Analyze trends in exoplanet system architecture with respect to their composition
- Extend previously developed pipelines to a wider range of stellar parameters

Aug 2019 - Jul 2022 | The Ohio State University Dept. of Astronomy | Columbus, Ohio
Research Assistant (Advisor: Dr. Ji Wang)
- Analyze stellar spectra for the characterization of known and potential exoplanetary systems
- Develop automated Python frameworks to make analyses faster and more accurate

May - Jul 2020 | The Ohio State University Dept. of Astronomy | Columbus, Ohio
Summer Undergraduate Research Program
- Selected competitively out of a pool of students
- Attended two-week Python bootcamp, continued work on spectral analysis on low-metallicity TESS targets of interest, and participated in daily Astro Coffee discussions on recent papers
- Presented a slideshow about research project at the conclusion of the program

TEACHING EXPERIENCE

August 2022 - May 2023 | University of Notre Dame | South Bend, Indiana
Graduate Teaching Assistant
- Perform office hours, online help for undergraduate-level physics courses
- Grade exams, homework, and lab reports

Apr 2021 - May 2022 | Huntington Learning Center | Lewis Center, Ohio
Tutor
- Teach ACT and SAT math and science concepts and test-taking strategies
- Provide homework and conceptual help for students in high-school level math courses

Aug - Dec 2020 The Ohio State University Department of Astronomy Columbus, Ohio
Instructional Assistant

- Assisted students in weekly online labs, facilitating discussion and answering questions
- Graded student assignments

PRESENTATIONS

Feb 3-7, 2025 Know Thy Star, Know Thy Planet 2 Pasadena, California
Poster "Connecting Stellar Compositions and Planetary System Architectures"

Mar 16-21, 2024 Extreme Solar Systems V Christchurch, New Zealand
Poster "Connecting Stellar Compositions and Planetary System Architectures"

Oct 18, 2022 Ohio State Univsersity: Astronomy 2895 Columbus, Ohio
Lecture ***"***Graduate School: A Guide for First-Year Undergraduates"

July 28, 2020 Ohio State SURP Symposium Virtual
Talk "Measuring Elemental Abundances in Metal-Poor Stars"
